Saturday evening, October 16th, dance at Masonic Temple, East Chicago by Mooseheart Legion. Best music. Everybody invited. 10-12-1

HOLDS COLORED WOMAN NOT GUILTY

When Mrs. Bessie Newman, colored of Chicago found out that the shot she had fired at her husband, Floyd Newman, at Gary had not resulted fatally she remarked: "I only wish that it had killed him, he was such a beast, to me and my child and I'm only sorry that he is not dead."

The shooting took place at the Michigan Central depot in full view of passengers waiting for a Chicago train. Following the shot Newman dropped to the floor and everyone including Mrs. Newman believed the shot had been fatal.

The colored man did not move an inch till an officer reached his side. He was up in an instant and asked the officer's protection. Mrs. Newman still stood unmoved and motionless with the smoking revolver in her hand. She had purchased it the same morning to kill him.

Yesterday a jury in the criminal court at Crown Point deliberated two hours in the case and found Mrs. Newman not guilty. The jury found that the shooting was justified, as the husband had made threats and forced her to work when she was ill.

BROADWAY NEAR- ING COMPLETION

With only three more blocks of concrete to lay from 18th avenue to the Pennsylvania tracks, the big task of resurfacing the east side of Broadway will be completed in a little over a week, according to the contractors today.

Whether any effort will be made to start the west side of the noted thoroughfare depends upon existing weather condition.

DON'T FORGET ALUMNI MEETING

Former students of the Valparaiso University are again urged to attend the big meeting at the Council Chambers at the city hall in Gary this evening, when effort will be made to organize a Valparaiso Alumni Association. The object of the organization will be to promote intercollegiate games between the colleges and the Alumni and to hold an annual home coming celebration each year. Mayor W. F. Hodges of Gary is fathering the movement.

GARY AND HOBART ASKS FARE INCREASE

The Gary and Hobart Traction Co., operating between Gary and Hobart and who filed a petition with the Public Service Commission of Indiana some time ago asking for an increase in fares received the information yesterday that the hearing would take place at Indianapolis Thursday of next week, October 22.

In the petition the Gary Street Railway Co. stated that an increase in rates was necessary, due to the increase in wages they were forced to pay their employees. If the increase is granted, passengers will be compelled to pay a fare of 45 cents instead of 35 cents. Attorney Ora L. Wildermuth is representing the company's interests.

Succumbs to Appendicitis Operation

Following a brief illness and an operation for appendicitis Miss Helen Stoyackovich, a well known Gary saleslady died at the Mercy Hospital, early yesterday morning. Miss Stoyackovich has been employed at the Gross Specialty shop for a number of years and in respect to the deceased, the store will be closed for two days. Miss Stoyackovich was also prominent in the activities of south side social societies.

THORN-TORNADOES PLAY PANTHERS

The Cleveland Panthers, one of the strongest professional football teams in this section of the country, will invade Chicago Sunday. They are coming to play the Thorn-Tornadoes and the game will be played at Whitman & Barnes' park, 118th and Halsted streets. The Cleveland crowd will run against a strong combination, however, several college stars having been signed to play with the local eleven. The Tornado backfield is one of the fastest and heaviest of any of the Chicago teams. Charlier, formerly of Illinois, will play fullback.

IN MEMORIAM

In loving memory of our little daughter, Eleanor, who passed away one year ago, October 15th:

She was like a tiny rosebud,
Left with us who loved her here,
Jesus saw a bloom for Heaven,
How we have missed you, Precious dear.

10-15 Mr. and Mrs. Harry Jarchow.

IN MEMORIAM

In memory of Elsie Berwanger, who died two years ago today, October 15, 1918:

Two years has passed since that sad day,
The one we loved was called away.
Always so patient, tender and kind,
What a beautiful memory she left behind.

God called her home, it was His will,
Within our hearts she is with us still.
The flowers we lay upon your grave
Against the weather and decay.

But the love we have for you dear Elsie,
Will never fade away.
Loving Husband and Children, Father
and Mother, Brothers and Sisters.

HAMMOND H. S. TO PLAY KANKAKEE SAT. AFTERNOON

Hammond Industrial High school's football team stack up against the Kankakee, Ill., high school team tomorrow afternoon at the Industrial High school athletic field.

Hammond won from Harvey two weeks ago by a score of 13 to 12. Kankakee defeated Harvey 7 to 6. This indicates that the contenders will be evenly matched as far as the early game is concerned. However, the Hammond lads have made some wonderful gains in the last two weeks and several of the hospital squad are back in the lineups.

Kankakee outweighs Hammond eight pounds to the man but it is believed that the difference in height will be more than offset by the speed which Hammond has developed in the steady grind at signal work. Many of the latest tricks which have been perfected will not be untried tomorrow if it can be avoided as the boys wish to save them for the game against Froebel of Gary on October 23.

The line will be composed of Jameson or Howell at center, Mayer and Tapper, guards Eggers and Haynes, tackles; Beary and Shelton, ends, Watkins, Downing and Wilhelm will be on the sidelines. The backfield has not been picked but there is plenty of material. Kleighe is sick and Howe will be out because of ineligibility.

An opener will be played at 1:45 o'clock by the second teams of Hammond and Froebel high schools while the big game is slated to start at 2:45.

HARDING IN INDIANA ON COX'S TRAIL

(Continued from Page One)

"some of whom had no other qualifications than that of being very large campaign contributors."

FIRST PEACE STEP

The first task of the nation in working for world peace, he said, was to set its face toward an international association, "under which it may be free to express and maintain its own nationalism, but in which mutual commercial and trade problems may be worked out."

In discussing foreign loans, Senator Harding said he had no desire to enforce payment "harshly or importunately."

"Nevertheless," he continued, "these debts are, in principle, of the same binding quality as those which were incurred in the form of loans made directly by the people and represented by interest-bearing bonds."

"It is not inaccurate to say that the government in the transaction occupies the relations of trustee to the Ameri-

can people from whom the money came, and like any other trustee, may not surrender their right to repayment without their consent, express or implied."

IMPROVES COLLEGE BOYS

At Danville, Ky., the senator was taken to a field where the Center College football team cheered him. As was them to be Kentucky gentlemen

the nominee began speaking another group of students took up the yell with "Cox" substituted for "Harding."

Mr. Harding waited until they had finished, and then, shaking a forefinger at the group, shouted:

"I like for young fellows to be enthusiastic about their leader, but I like for young fellows to be patriotic."

and not insist on interrupting. "I respect the man who has his convictions and I respect my fellow Americans who have other party convictions than I have, but when you are a real American you listen to both sides of the case, especially if the one who is speaking is a candidate for the presidency of the United States."
